

HYTES Announces Fundraising Results and Corporate Update

August 23, 2005

HYTES thanks you immensely for your generous support.

On August 6, 2005 Helping Youth Through Educational Scholarships ("HYTES") held its inaugural fundraiser and launch party. With the generous help of our sponsors, donators and new members, we raised \$2,611.00. Our accounts receivable for the event is \$64.00 and expenses totalled approximately \$167.00.

Our goal was to raise enough money to send one person to secondary school for the 2006 school year. The amount raised is actually almost enough to send two people to school. Tuitions will be paid before December 15, 2005.

We now have 17 new members bringing our total membership to 23. If you are interested in becoming a member, please [click here](#) for more information. Please see the bottom of this release for a list of event sponsors.

Corporate Update

We sent our application for incorporation to the Federal Government on July 15, 2005. The government has informed us that our application was approved and that they are mailing the incorporation documents August 23, 2005. We will set up a bank account as soon as the documents arrive and we will then deposit all funds raised at the HYTES launch party.

On June 8, 2005, HYTES sent its Application to Register a Charity Under the Income Tax Act. This process generally takes between 6 and 18 months to complete. We will not be able to provide income tax receipts for any donations given before our application is approved.
